¹Blind View Monitor (BVM) assists driver in changing lanes by providing a live view of the blind spots on either side of the vehicle and an audible alert if another vehicle is detected. Turn signal must be activated and other system limitations apply. Do not rely exclusively on BVM. It is the driver's responsibility to be aware of the surroundings and ensure it is clear before changing lanes or directions. See Owner's Manual for more information. ²Rear Occupant Alert (ROA) standard on SE and SEL trims. Ultrasonic Rear Occupant Alert (ROA) available on SEL trim, Standard on Limited trim. When the vehicle is parked and the driver has exited the vehicle, Rear Occupant Alert can alert the driver if the rear seat sensors detect passengers or pets still in the vehicle. Rear Occupant Alert is not a substitute for attentive driving. Never leave a child unattended in a vehicle. See Owner's Manual for important details and limitations. ³3rd-row seats fold down flat, unfold and even recline, all at the touch of a button. ⁴MODEL SHOWN PRICED HIGHER, MSRP excludes destination charges, tax, title, and license fees. Destination charges and actual dealer prices may vary. Vehicles displayed may contain optional equipment at additional cost. ⁵America's Best Warranty claim based on total package of warranty programs. See dealer for LIMITED WARRANTY details.
